**RESUBMISSION OF SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Dear Examiner Davis:

This submission is made in response to the rejection in the Office Action mailed May 23, 2001 ("Office Action") to the Supplemental Information Disclosure Statement filed on March 5, 2001. The Office Action stated that, "...although the PTO-1449 is received by the Office, the references however are not received by the Office" (see page 2 of Office Action).

Applicants respectfully submit that the 141 references were mailed in the same package as the IDS and PTO-1449 on March 5, 2001. Please note that the IDS and Transmittal Letter both contain executed Certificates of First Class Mailing Under 37 CFR §1.8(a), certifying that IDS and listed enclosures were mailed on March 5, 2001. Please also note that the Return Postcard listing the IDS, PTO-1449 and 141 references was date-stamped on March 14, 2001 by the PTO, confirming PTO receipt on March 14, 2001 of the items listed on the postcard.

INFORMATION DISCLOSURE STATEMENT

Applicants submit herewith the references listed on the attached form PTO 1449, copies of which are enclosed. The submission of this statement is not a representation that a search has been made, or that no better art exists. This submission is also not an admission that any of the cited references is, or is considered to be, material to patentability or that any of the cited references constitutes prior art to the invention.

This statement is being filed under 37 C.F.R. § 1.97(c)(2) after a first Office Action on the merits, but before the receipt of a Final Office Action or a Notice of Allowance. Please charge our Deposit Account No. 08-0219 the required fee of \$180.00 pursuant to 37 C.F.R. § 1.17(p).

Applicant reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application. If it should be determined that any of the listed documents do not constitute prior art under United States law, Applicant reserves the right to present to the Officer the relevant facts and law regarding the appropriate status of such documents.

It is respectfully requested that the Examiner initial and return copies of the enclosed form PTO-1449 with the next Patent Office communication.
